collection

fall-winter 2022-2023

Alyki in wonderland is the inspiration for this season.

Fantasy and colours are blending together
in a fairytale concept.

A moment of playful surprises with various items
together in a forever vibrant way.

That's Alyki !

Our very best items in new shades. It is more
important than ever to dress in a total sweater look.

Coordinated colours in skirts and pants for
a new cozy city style.

As always, stripes in flirtatious combinations.
